OFFICE OF C. T. GARLAND,
ATTORNEY AND COUNSELOR AT LAW,
No. 617 La. Ave., bet. Sixth and Seventh Sts.

Washington, D. C., Jan. 26th 1875

Wm Lloyd Garrison Esq.
Boston Mass.

My Dear Sir,

I mail you to-day the Chicago Inter-Ocean of the 23d inst. containing a three col-umn article from me on the mixed-school feature of the Civil Rights Bill.

Grant seems determined in his opposition to this measure. There is danger that the race question will not be settled in this gen-eration because of this defection of the President, and the subserv-iency of Congress to him.

Yours Truly
C. T. Garland
